We, at the Forestville Wellness Center, believe that each person’s health is a unique journey. Through collaborative and sustainable partnerships between patients, practitioners of alternative and traditional medicine, and the greater community, we strive to provide a holistic and integrative model of care to the community of our West County Health Centers patients.

AS PART OF THE WEST COUNTY HEALTH CENTERS

The Forestville Wellness Center is pleased to offer integrative medical visits to West County Health Centers patients. Many thanks to our following partners:

- California School of Herbal Studies
- Ceres Community Project

Community Groups are open to the public. Donations are accepted, however no one will be turned away for lack of funds.

Gentle Yoga
Ongoing – Tuesdays 1:30pm – 3:00pm
Method with a three-point emphasis on posture, breath and mindfulness. For all levels.

Qigong:
Ongoing – Fridays 1:00pm – 2:30pm
Through gentle movement, promote self healing while strengthening the body, reduce central nervous system stress, and enhance mental acuity and emotional stability.

Speak with your medical provider about consult referral; groups are available by self-referral.

Integrative Health Consults
During these comprehensive visits, our integrative physicians offer holistic treatment plans for children and adults.

Herbal Medicine Consults
One-on-one herbal consultations with graduates and interns from the California School of Herbal Studies.

Osteopathic Visits
Osteopathic manipulative treatment (OMT) is hands-on care, used to diagnose, treat, and prevent illness or injury. This treatment can be used to ease pain, promote healing and increase overall mobility.

Medical Acupuncture
Acupuncture treatments for pain and metabolic conditions are performed by our West County Health Centers’ medical providers.

Ayurvedic Consults
Consultants trained at the Dhyana Center provide a fresh look at health issues. Using a 6,000 year old system of Ayurveda, consultants assess basic constitutional type, determine what imbalances of the elements exist within the body, mind and spirit, and offer self-care remedies that are simple and effective.

NAET: Nambudripad’s Allergy Elimination Technique
Devised by Devi Nambudripad, a California based chiropractor and acupuncturist, drawing on kinesiology, acupuncture, acupressure, nutritional management and chiropractic methods to determine and treat allergies.

HeartMath®
This consult uses a biofeedback modality based on over 15 years of scientific research on psychophysiology of stress, emotions, and the interactions between the heart and brain. Harness the power of the heart’s intelligence for managing emotions and keeping energy levels high.

Naturopath
Steeped in traditional healing methods and practices, naturopathic medicine focuses on holistic, proactive prevention and comprehensive diagnosis and treatment. Naturopathic physicians help facilitate the body’s inherent ability to restore and maintain optimal health.

Nutrition
Most chronic disease, including diabetes and heart disease, can be improved with eating good food. Come meet with our nutrition expert to find out about how to improve your health with food.

Living Well with Diabetes
Ongoing – Tuesdays 1:30pm – 3:00pm
Current information on diabetes, meal planning and support. Plus forum for weekly discussion and nutrition demos. Suitable for Pre-diabetes.
